THE DEAN'S AWARD

DR JAMES ADONOPOULOS, ACADEMIC DEAN

Your chance to win a 50% scholarship!

Recognising current students for their academic performance and overall contribution to the KBS community, the Dean's Award will be awarded to up to two KBS students each trimester.

Instructions on how to apply, along with the Terms and Conditions for The Dean's Award, are outlined in more detail over the page.

To find out more about this exciting award, please contact your Student Experience Officers.

CRITERIA

For students to be eligible for the award, they must fulfil the following criteria:

- At the time of application, the student must have a Distinction average or higher grade
- Submit a 500-word personal statement or 2-minute video of why they should receive the award
- Provide evidence or examples where they have gone above and beyond for the KBS community
- You must have completed at least one (1) trimester with KBS before applying for the Dean's Award
- Any submissions which exceed the word count or time limit by more than 10% will be disqualified since their inclusion would bestow an unfair advantage to the detriment of other applicants who have complied with the entry requirements
