Admission criteria

The School has stringent procedures in place to assess whether a student's qualifications, experience and English language proficiency are appropriate to gain entry to study at the School. Admissions requirements can be found in the [Admission Requirements Policy](#).

A. Applicants with higher education study

Entry into undergraduate courses requires successful completion of Year 12 or equivalent schooling such as a Certificate IV or equivalent. Entry into the Bachelor level courses requires an ATAR of 55 or equivalent.

Entry into undergraduate courses requires successful completion of a VET qualification at Certificate IV or above.

C. Applicants with recent secondary education (within the past two years)

English language proficiency

Applicants whose secondary school education, undergraduate or postgraduate qualification was not completed in English or whose work in the industry was not carried out in English must demonstrate levels of English proficiency as outlined in the [Admission Requirements Policy](#).
