LIVE AND STUDY IN AND AROUND AUSTRALIA WITH A **KAPLAN BUSINESS SCHOOL** STUDY ABROAD TRIMESTER

Kaplan Business School is inviting students to join our community for one or two trimesters of study abroad.

The Kaplan Business School Study Abroad Program offers you the opportunity to study in Australia for one or two trimesters. You can choose from a wide range of subjects in specialised areas across all KBS programs.

The KBS Study Abroad Program is specially designed for international students to study with us for 1 (30 ECTS) or 2 (60 ECTS) trimesters. Study Abroad programs are also a great option for those taking a gap year or career break in Australia. Study Abroad offers a unique opportunity to boost your career and enhance your education, as you take the chance to explore valuable cultural experiences and travel to spectacular parts of Australia.

1. European Credit Transfer and Accumulation System

You are in control, and you can customise your academic study pathways to suit your own studies and interests. Select subjects that fulfil the requirements of your current studies or select exciting new subjects in areas that interest you.

You will have access to the Student Experience team to assist you with your desired subjects at the right level and credit value to match your requirements.

TYPICAL DURATION

1 or **2** trimesters / **4** or **8** months

TOMAS DOPITA / CZECH /
Bachelor of Business
(Management)

‘I believe my KBS experience will help me prepare for the corporate world and business environment. This will allow me to start a career and hopefully start my own business one day. Studying with peers from all over the world has helped me grow a lot and understand and communicate in new ways.’

WHAT YOU SHOULD KNOW ABOUT STUDY ABROAD AT **KBS**

The KBS Study Abroad Program offers students an opportunity to study at KBS Australia for one or two trimesters, and then transfer back to their home institution. This is available for students from any university or higher education provider. This is available for students from any university or higher education provider, or those looking for a unique experience as part of a gap year or career break. Tuition fees are paid to KBS Australia based on the number of subjects undertaken. Approval for credit recognition is still required if students wish to limit disruption to their program at their home institution.

25% **KAPLAN BUSINESS SCHOOL** STUDY ABROAD SCHOLARSHIPS AVAILABLE (EUROPE & LATIN AMERICA)

STUDY ABROAD COURSES

You can study up to 2 trimesters and choose any of the following courses as a study abroad student:

- Study Abroad (Undergraduate)
– One Trimester (CRICOS 113787J)
- Study Abroad (Undergraduate)
– Two Trimesters (CRICOS 113788H)
- Study Abroad (Postgraduate)
– One Trimester (CRICOS 113789G)
- Study Abroad (Postgraduate)
– Two Trimesters (CRICOS 113790C)

SELECTING SUBJECTS

You can customise your academic study pathways by selecting required subjects that fulfil your home institution requirements or try new areas of employment demand in the fields of business and IT.

To select your subjects, choose a degree that matches your interest at kbs.edu.au/courses and by selecting the course, you can choose between available core and elective subjects.

TUITION FEES*

UNDERGRADUATE AND POSTGRADUATE

One trimester (3 Subjects)	Standard Fee \$7800
-------------------------------	------------------------

One trimester (4 Subjects)	Standard Fee \$10,400
-------------------------------	--------------------------

Disclaimer: Study Abroad trimester fees may be subject to change. Fees may be subject to an annual increase each subsequent calendar year for the duration of the course and may be applied at the beginning of each calendar year. Some additional services provided by Kaplan Business School may also attract fees which can be found on our website. All courses and subject enrolments are subject to availability.

** Tuition fees may vary if additional subjects are selected. For more information, visit kbs.edu.au/courses/study-abroad-program.*

Adelaide strikes a perfect balance between big city culture and easy-going lifestyle that makes it an ideal destination for international students.

The open parklands, packed festival calendar, famous wine regions, proximity to beaches and happy locals are all part of the vibrant Adelaide lifestyle. By choosing to study at KBS Adelaide you'll be in the heart of it all, only minutes away from the main shopping district, Rundle Mall.

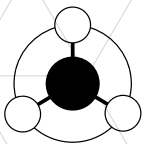

ADELAIDE

12th

Most liveable city in the world

(Economist Intelligence Unit Global Liveability Index, 2023)

Best coordinated entrepreneurial ecosystem in Australia

(Experienceadelaide.com.au)

95%

of students were satisfied or **very satisfied** with their overall learning experience at **Kaplan Business School Adelaide**

(Of the 69 global institutions that participated in the International Student Barometer 2021)

LIVE

Adelaide is consistently voted one of the world's most liveable cities. It has an extremely efficient transport network, and the city offers free Wi-Fi, tram, and bus services in the CBD.

Unlike other major cities in Australia, Adelaide is a planned city; the centre is compact, easy to navigate and surrounded by spacious, green parklands. As one of the most affordable cities for students, and often referred to as the '20-minute city' because of its proximity to so many diverse attractions, you'll enjoy great quality of life.

EXPLORE

Adelaide lies between white sandy beaches to the west and the scenic Hills region to the east, offering stunning views, nature trails and wildlife encounters. The city itself puts on an exciting line-up of events every year, with highlights including the world's second largest arts festival, the Adelaide Fringe Festival.

Adelaide is also regarded as the food and wine capital of Australia! No doubt you'll enjoy sampling the city's delicious cuisines and visiting world-renowned wine regions including the Barossa Valley and McLaren Vale.

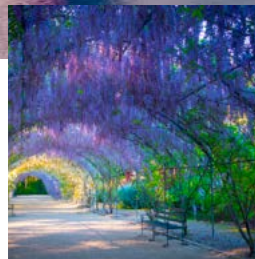

With almost 30% of 'Adelaideans' originating in other countries, the city is full of people of diverse cultures. There are cultural festivals, vibrant communities, a local Chinatown, and restaurants serving food from all over the globe.

BRISBANE

Brisbane is a warm and welcoming city, and the perfect destination for sun and adventure seekers. Strong economic growth has made it one of the world's fastest-growing capital cities, offering students exciting career opportunities. Brisbane will be the host of the 2032 Olympic Games.

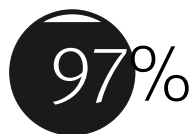

Studying at KBS Brisbane you'll be located only a five-minute walk to Central Station, with Queen Street Mall also nearby, renowned for its cafes, restaurants, and shops.

Highest growth rate of capital cities in Australia
(Australian Bureau of Statistics (ABS), 2021–2022)

Top 20 most liveable city in the world
(Economist Intelligence Unit Global Liveability Index, 2023)

Over **97%** of students satisfied with their overall learning experience at Kaplan Business School Brisbane
(Of the 69 global institutions that participated in the International Student Barometer 2021)

LIVE

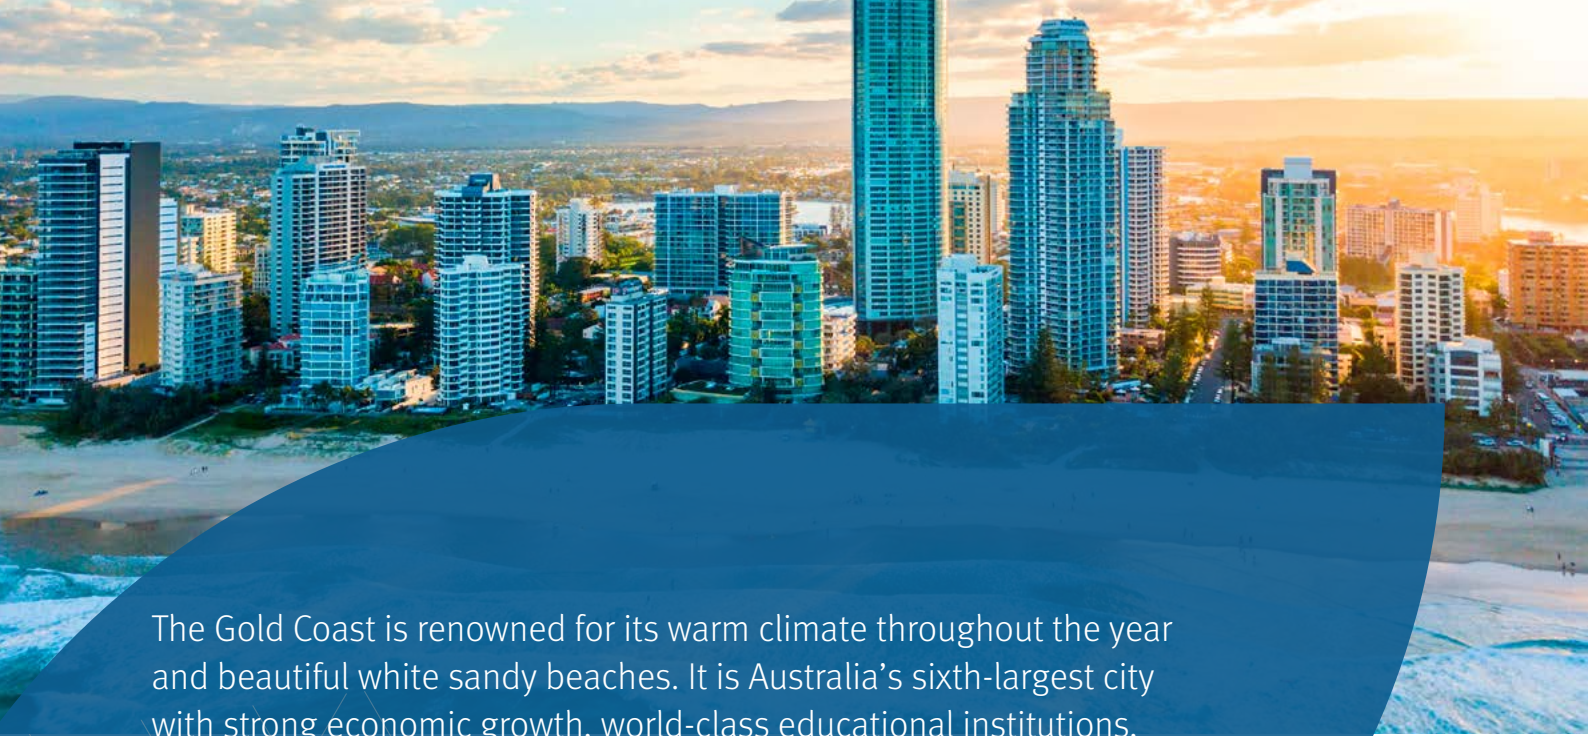

Known as the Sunshine State of Australia, the city is popular for its outdoor lifestyle with a variety of incredible sporting activities and events held throughout the year. With a subtropical climate, Brisbane enjoys year-round warm weather with hot summers and dry, moderate winters.

The cost of living in Brisbane is lower compared to the larger capital cities and it's easy to get around, with perks such as a free city ferry and discounted public transport.

EXPLORE

Brisbane will keep you busy with plenty of sights to explore such as the lush City Botanic Gardens, the extensive South Bank precinct with its famous man-made Streets Beach and lagoon, parklands and riverside dining.

The city is also perfectly placed for you to explore some of Australia's biggest attractions, including Fraser Island and Surfers Paradise. A short drive north will take you to the Sunshine Coast, home to beautiful Noosa, or head south to the funky beachside town of Byron Bay.

The Gold Coast is renowned for its warm climate throughout the year and beautiful white sandy beaches. It is Australia's sixth-largest city with strong economic growth, world-class educational institutions, and career opportunities.

At KBS Gold Coast, you'll be located in Southport, one of the city's most vibrant and multicultural suburbs.

GOLD COAST

40
billion

The economy is worth over **\$40 billion** and is expected to grow more than 3% per year over the next 5 years
(Gold Coast Economic Report 2023)

Top
100

One of the global **Top 100 Best Student Cities**
(QS Best Student Cities, 2023)

11.4
million

Gold Coast welcomed **11.4 million visitors** in 2022
(Destination Gold Coast)

LIVE

The Gold Coast has more than 300 days of sunshine per year with hot summers and mild winters, so you will have plenty of opportunities to swim, surf, and play outdoors. You can enjoy alfresco (outdoor) dining at a great range of coastal restaurants, cafes, and street stalls.

The cost of living in the Gold Coast is lower compared to Australian capital cities and it's easy to get around with a great network of buses, trains, and trams that is convenient and reliable.

The Gold Coast is a diverse place to live with nearly 1 in 3 residents born overseas and hosts an extensive list of cultural events and festivals every year.

EXPLORE

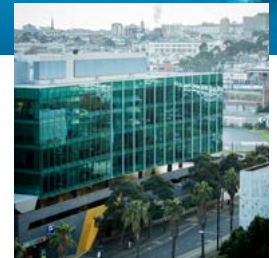

The Gold Coast's white sandy beaches stretch along 57km of Australia's coastline and are great spots for sunbaking, water sports, and recreational activities.

Just a short drive from the city centre is Gold Coast's green hinterland - 'the green behind the gold' where you will find rainforests, mountains, waterfalls and abundant wildlife. Get up to close to Australian wildlife at the Currumbin Wildlife Sanctuary or experience a day of thrills and laughs at any of the large theme parks.

Melbourne consistently ranks as one of the best student-friendly cities and most liveable cities in the world.

Studying at KBS Melbourne you'll be located within the iconic Docklands precinct, known for its waterfront promenades with a variety of retail and dining options. It's also only a short ride away from the city centre on the free City Circle tram.

Best student city in Australia

(QS Best Student Cities, 2023)

Most liveable city in the world

(Economist Intelligence Unit Global Liveability Index, 2023)

Overall satisfaction with their study experience at KBS Melbourne

(Of the 69 global institutions that participated in the International Student Barometer 2021)

LIVE

Melbourne has a distinctive, edgy, and modern vibe, and is revered for its culture, unique architecture, fashion, food and drink. Each year, the city also plays host to major sporting events like the Australian Open, the Formula One Grand Prix and the Melbourne Cup.

The city offers multiple public transport and accommodation options, a high standard of living and plenty of job opportunities, but it's the city's multiculturalism and inclusiveness that make it so popular with students for day-to-day living.

Melbourne is widely considered the tech capital of Australia and is home to more than half of Australia's top 20 technology companies. The start-up scene is booming and a strong draw card for entrepreneurial students.

EXPLORE

Located at the end of one of Australia's most iconic drives, the Great Ocean Road, Melbourne is a cosmopolitan city with a passion for coffee, art, and sport. Wandering down its iconic inner-city laneways, you can discover world-famous street art, rooftop bars and cafes. You'll find the music scene is thriving; Melbourne has more live music venues per resident than anywhere else in the world.

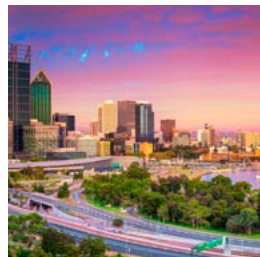

PERTH

Located in the resource-rich state of Western Australia, Perth has a strong economy and provides a fantastic lifestyle opportunity for students looking to experience the city's natural scenery and laidback vibe.

At KBS Perth you'll be in the accessible and trendy West Perth district, just a 10-minute free bus ride from the city centre.

12th

Most liveable city
in the world

(Economist Intelligence Unit Global Liveability Index, 2023)

100%

of students happy or **very happy** with their life at Kaplan Business School Perth

(Of the 69 global institutions that participated in the International Student Barometer 2021)

30%

of **Australian Stock Exchange (ASX)** listed companies have Perth headquarters

(Thinkperth.com, 2021)

LIVE

For our international students, Perth is the perfect gateway to everything Australia has to offer. The city shares a time zone with 60% of the world's population and is a direct flight away from several capital cities in Asia, Africa, and other parts of the world.

Getting around the city centre is convenient and easy! There's an excellent network of free buses within the CBD. Perth is known for being one of the safest Australian cities and for its relatively low living costs and friendly and inclusive communities.

EXPLORE

Perth offers a dynamic mix of restaurants, cultural experiences, and is home to Kings Park, one of the largest inner-city parks in the world.

But it's the hidden gems, off the beaten track in Western Australia, that will change you. You can swim with dolphins, go whale watching, and visit pristine beaches across 12,000 kilometres of coastline. From scaling some of the world's oldest rocks to trekking through the 400-million-year-old river gorges of Kalbarri National Park, you can be sure your study abroad experience will be a truly unique one.

Sydney is arguably Australia’s most vibrant and cosmopolitan city packed with history, nature, beaches, culture, art, fashion, food, and design.

Our KBS Sydney campus is in an award-winning building*, near Martin Place station, only minutes away from popular spots including Sydney Opera House, Hyde Park, Pitt Street Mall, Circular Quay and Barangaroo.

SYDNEY

4th

Most liveable city in the world

(Economist Intelligence Unit Global Liveability Index, 2023)

5th

Safest city in the world

(Safe Cities Index 2023, The Economist Intelligence Unit)

#1

Highest ranked city in the Asia-Pacific region for innovation

(taken from Study NSW website)

LIVE

Located near the beautiful Sydney Harbour, you’ll be studying among famous landmarks including the Sydney Opera House and Harbour Bridge. You’ll enjoy easy access to the many attractions, restaurants, and shopping precincts in the CBD, while also taking in the outdoor beach culture in the stunning beachside suburbs of Bondi Beach and Manly.

Sydney is also considered Australia’s financial and business capital. Most multinational corporations operating in Australia have their regional headquarters based in Sydney, so studying here provides students with first-class professional opportunities.

EXPLORE

During your time off you can enjoy an iconic beach walk from Bondi to Coogee or make friends with some of Australia’s wildlife at Taronga Zoo, which boasts panoramic views of the harbour and CBD.

Sydney is also a great place for a weekend road trip: venture out to witness the world’s whitest sand in Jervis Bay, trek along coastal cliffs in the Royal National Park or view the spectacular Three Sisters in the Blue Mountains.

*John Verge Award for Interior Architecture, the NSW Architecture Awards.

WHAT CAN I STUDY?

Kaplan Business School offers a range of popular and innovative subjects in study areas:

BUSINESS

Our Business subjects provide the theoretical and practical skills necessary for a successful business career. You will learn analytical, high-level problem solving and communication skills crucial to industry success. You will develop a firm understanding of different business environments and develop effective ways to approach, create and execute operational business plans. You will also be able to choose from a large number of our specialisation subjects in Project Management, Tourism & Hospitality, Accounting, Marketing or Health Services to tailor your experience.

BUSINESS ANALYTICS

KBS Business Analytics subjects are designed for students with an ambition to begin or further their career within the business analytics industry, which is why they will be taught how to build and manage expert teams and to strategically oversee data-driven initiatives. Business Analytics includes a broad range of subjects that will build your knowledge and skills, all of which will produce students who are ready for the next stage of their career.

COURSES

Scan the QR code to find out more about our courses. Detailed information about the subjects in each course can be found on our website.

FINANCE AND ACCOUNTING

KBS Accounting subjects are ideal if you wish to develop or extend your studies beyond traditional accounting to also encompass the increasingly critical role of business analytics and professional accounting. You will develop general management skills and knowledge related to contemporary accounting issues, data analysis and associated practices. You will learn key business principles and practical skills to analyse accounting effectively and strategically within a range of theories and frameworks – helping to launch or further your career.

INFORMATION TECHNOLOGY

Our Information Technology subjects are designed to achieve a comprehensive understanding of information technology in technical and business management areas. You'll develop applications, frameworks, products and services for growing areas such as analytics and cyber security. You will also learn how business problems can be solved by applying a range of technological and programming concepts and tools, and how to effectively communicate these solutions to diverse stakeholders. Additionally, you will be taught how to safeguard data and information, create and manage databases and ensure the ethical handling of business information. You will also be able to choose from a large number of our specialisation subjects in Analytics, App & Web Development, Cyber Security or Programming to tailor your experience.

STUDENT SUPPORT

Scan the QR code to find out more.

STUDENT EXPERIENCE

Our friendly Student Experience teams are here to help you settle into life on campus. They are happy to answer any questions you might have in relation to your study, campus facilities and life as a student.

- / Study guidance and planning
- / Workshops and events
- / Student welfare
- / Support services

ACADEMIC SUCCESS CENTRE

Located at each campus, the Academic Success Centre is an integral part of the academic assistance we provide. Whether you are one of our undergraduate or postgraduate students, our Learning Advisors can provide valuable support with your studies via additional workshops and one-on-one sessions.

- / Referencing
- / Essay and report writing
- / Presentation delivery
- / Academic language skills

ADDITIONAL ACADEMIC SUPPORT

Our teaching staff are available to provide you with personalised assistance beyond your standard weekly classes to clarify complex concepts and to further enrich your learning.

- / One-on-one lecturer consultations
- / Tutoring with KBS graduates
- / Bonus software workshops
- / Technical troubleshooting service

SAFETY AND WELLNESS

At Kaplan, we take steps to manage and protect all aspects of your wellness and safety. We strongly oppose any form of sexual assault or harassment. Well@KBS, a week dedicated to student health and wellbeing, includes police presentations on personal safety, stress management workshops and mindfulness training.

All our students also have free access to **Sonder**: a 24/7 personal safety and wellbeing service accessible on demand via the **Sonder app**, over the phone and in-person.

You can use the Sonder app to connect with the Sonder Support Team for any issues such as safety, health issues, medical needs, mental health issues, worries or concerns. Anything that's important to you, is important to Sonder.

The Sonder team consists of a network of professionals including Registered Nurses, Emergency response specialists, Mental health first aiders and Psychologists.

[Find out more at kbs.edu.au/sonder.](https://kbs.edu.au/sonder)

COUNSELLING SERVICE

Student welfare is our number one priority at Kaplan. That's why we have dedicated student counsellors at all of our campuses to ensure our students' mental health and wellbeing are proactively looked after.

ACCOMMODATION AND COST OF LIVING

There are a variety of accommodation options available across all major Australian cities, depending on your needs:

MANAGED STUDENT ACCOMMODATION

Want to live in accommodation where you'll be able to socialise with other students? There are purpose-built student residences where the entire block is dedicated to the housing of 100-400 students. There are a wide range of room options, with shared kitchens and lounges, and either private or shared bathrooms.

The price typically includes all utilities, a furnished bedroom, 24-hour security and on-site staff support, social events and activities, communal laundry facilities as well as recreation areas. For example, cinema rooms, gyms, table tennis, gaming, television, BBQs, etc.

UniLodge and Scape are two large providers of managed student accommodation in Australia.

Find out more about accommodation options and life in Australia on www.kbs.edu.au/student-life/accommodation or scan the QR code.

STUDENT HOSTELS

Student hostels offer you an affordable housing option where you'll be responsible for preparing your meals and sharing the cost of utilities such as gas, water and electricity.

Most hostels include a furnished bedroom (either private or shared) with access to communal facilities such as bathroom, laundry, kitchen and lounges.

PRIVATE RENTALS

If you'd like to be more independent, you can rent a property either on your own or rent a room in a private property. Living here, you'll be responsible for all utility costs (or sharing them) and preparing all your meals.

Though you can find fully or partially furnished private rentals, usually you are responsible for providing your furniture.

Popular websites where you can search for private rentals in Australia include:

- Flatmates
- Gumtree
- Domain (choose "Rent" or "Share")
- Realestate.com.au

COST OF LIVING

Australia is a friendly and affordable country which enjoys one of the highest standards of living in the world. Living costs include accommodation, transport, food, entertainment and study-related costs and these will vary according to a student's lifestyle and personal requirements. The costs listed on the right are an approximate guide of costs associated with living in Australia, which can vary depending on your study location.

AVERAGE WEEKLY COST (AUD)

RENT (SHARED)	\$95–\$215
GROCERIES AND EATING OUT	\$140–\$280
GAS, ELECTRICITY	\$10–\$20
PHONE AND INTERNET	\$15–\$30
PUBLIC TRANSPORT	\$30–\$60
ENTERTAINMENT	\$80–\$150

(StudyAustralia.gov.au, 2022)

As cost of living varies on your study location, you can use this calculator to estimate your costs more accurately: costofliving.studyaustralia.gov.au
