

# WOMEN BEYOND BORDERS SYMPOSIUM

## PROMOTION

---

The Leadership, Governance and Professional Practice discipline at Kaplan Business School is thrilled to announce the "Women Beyond Borders" symposium. This free online event, taking place on **March 14, 2025**, aims to celebrate achievements, recognise potential and address the challenges faced by women worldwide. The symposium will provide a platform for critical discussions on gender equality, focusing on barriers to economic participation, women's education and global perspectives on gender issues.

## EVENT HIGHLIGHTS

---

- **Barriers to Equal Economic Participation for Women:** Discussions will cover topics such as the gender pay gap, career progression and women in sports.
- **Women's Empowerment Through Innovative Approaches:** Explore how technology, artificial intelligence and teaching and mentoring practices can empower women.
- **Gender Issues on a Global Scale:** Examine issues related to education, gender norms, and leadership.
